There has been a Market in the town since it was granted a Royal Charter in 1579 by Queen Elizabeth 1st.

A charter granted by Queen Elizabeth 1st to the town a market in 1578 on application by Sir John Radcliffe, of Ordsell, in Lancashire. It would come into force in 1579.

On the 4th May 1579 Sir John Radcliffe of Ordsall (In Lancashire) applied to hold “Fairs and Markets” in Sandbach from Queen Elizabeth 1st. The charter was granted and so the market would be held on Thursday with two fairs each year being held.

The Market charter allows for Two Fairs to be held on the Thursday and Friday before the feast of the Nativity of the Virgin Mary (8 September) with the other Fair of the 1579 Charter to held on the Tuesday and Wednesday in Easter week.

By 1890 in the book “History of Sandbach Co. Chester” by J.P. Earwaker” (Only 250 copies printed with 100 to be given away as Presentation copies) the fairs were held on the Tuesday of Easter Week and the first Thursday after the 12 September and on the 28th of December each year.

Both of these dates have long since been abandoned with the Wakes week being held on the first Thursday after the 12th of September. This date has again largely had been replaced with a fair on the Friday to Wednesday of a week in September and by the 21st Century had been moved again to Friday to Tuesday in Wakes week (September).

The market has continued from 1578 with one being held every Thursday and in recent times a Saturday market has been added (Not in the original Charter).

The Market moved from the Square to the Common in 1879 when the Rt. Hon. Hungerford, Lord Crewe gave the land to the town along with the perpetual rights to all market tolls. He also gave the site for the Town hall at the same time.

When the Borough of Congleton produced a booklet in the late 1970’s the market was still only a single market on a Thursday but by the 1990’s it had expanded to a two-day market with a smaller Saturday Market being held on a Saturday with mainly stalls inside the Town Hall.

In 2011 a Farmer’s Market was added to the Market Square on the Second Saturday of the month with a “Saxon” or Artisan type market being added for the 4th Saturday.
