The Perfect Venue

Community Activities

A totally flexible space for any activity

A totally flexible space for community activities

Sandbach Town Hall offers a totally flexible space for community activities. Whatever the activity of your choice there is a room space and layout to suit your individual requirements.

The large Ballroom, with its premium grade maple dance floor, is ideal for all forms of dancing, soft games or keep fit. The optional 26 square metres of staging can be configured to suit performances, theatre, cat walk shows or presentations. Superb stage lighting, PA and AV systems all provide the extra services that complete these types of events. Room layouts can accommodate theatre style seating, dining tables or open space. Events requiring catering are easily facilitated by the adjoining full service kitchen and bar service can be provided within the Ballroom or in the upstairs Charter Room. The Ballroom's capacity can be discretely reduced to create a smaller event space up to the day of the event.

"Room layouts can accommodate theatre style seating, dining tables or open space."

"Superb stage lighting, PA and AV systems all provide the extra services that complete these types of events."

The Charter Room offers an attractive carpeted room with hidden or open bar. Perfect for small gatherings of up to 40 people, it can be used as a cool down room in conjunction with the Ballroom or hired as a separate facility.

The Boardroom is situated in a self-contained part of the building with its own access, toilets, kitchen and drinks making facilities. These factors, plus the vinyl floor covering, makes it a perfect room for keep fit activities, craft workshops, children's birthday parties and small group meetings for up to 40 people.

All rooms and facilities are extremely flexible and can be configured to suit individual requirements. This flexibility is reflected in a pricing system that ensures customer satisfaction. Whatever your special event the Events Team will work with you to make it happen.
