

All our meeting rooms have access to a projector, screen, PA system and free wifi to ensure that any meeting or conference goes as smoothly as possible.

All rooms and facilities are extremely flexible and can be configured to suit individual requirements. This flexibility is reflected in a pricing system that ensures customer satisfaction.

Situated just one mile from Junction 17 of the M6, 5 miles from Crewe Train Station and 30 minutes from Manchester airport, Sandbach Town Hall has fantastic transport links which make it easily accessible to all corners of the UK.

Hosting and presentation is our business

Ensuring that any meeting or conference goes as smoothly as possible

When searching for Cheshire party venues, Sandbach Town Hall is the perfect choice for that special celebration! Whether it's a Birthday, Anniversary, Engagement party, a Banquet or a Ball, the Events Team will work with you to make it happen.

The Boardroom is situated in a self-contained part of the building with its own access, toilets, kitchen and drinks making facilities. Meetings and conferences can be accommodated for up to 40 people with seating arrangements for training, meetings or presentations.

**“The Ballroom, Charter Room and Boardroom are available in a variety of different room layouts to suit the needs and requirements of the individual hirer.”**

The Ballroom offers the largest meeting space and seats up to 250 people. This is a flexible meeting space and the back third of the room can be closed off to accommodate a smaller number, within the Ballroom, or to provide a breakout space or separate room. The small stage is ideal for speakers and can be extended to accommodate other applications. The Ballroom has an attached commercial kitchen and toilets, providing a convenient location to accommodate catering and refreshments for any event.

The Charter Room is situated above the Ballroom and can accommodate conference seating for up to 40 people. This room is suitable for training, meetings and presentations. A large window ensures that the room is flooded with natural light. The Charter Room has the facility for cold food preparation and hot and cold drinks.
