For more intimate gatherings the room's capacity can be discretely reduced to create a smaller event space. Also, a mobile bar can be used as an alternative, or in addition to, the larger bar in the Charter Room, providing choice and flexibility for your events.

The package offers the use of a completely new and state of the art lighting and sound system to ensure that every event looks and sounds perfect.

All rooms and facilities are extremely flexible and can be configured to suit individual requirements. This flexibility is reflected in a pricing system that ensures customer satisfaction.
