Perfect setting for a perfect day

“A large viewing area allows guests to look down onto the reception, whilst enjoying a different surrounding.”

Sandbach, a picturesque and historic Cheshire market town with its impressive Town Hall, is the perfect setting for your special day. Following a complete refurbishment, this Victorian building is the ideal location for Civil Weddings, Partnerships and wedding celebrations.

Ceremonies take place in the Ballroom, which can accommodate seating for up to 200 guests. The Ballroom has a stunning beamed ceiling, and superb maple dance floor, all of which can be dramatically lit with a new

lighting system. This, along with the accompanying PA system can create a fantastic atmosphere for such a special day.

The original 19th Century oak door of the Town hall opens up to the foyer and welcoming stairway, giving a bright and contemporary feel to the entrance of the building.

The refurbished Charter Room offers a selection of real ales, beers, cider, spirits and wines to enjoy after the event. A large viewing area allows guests to look down

onto the reception whilst enjoying a different surrounding. A mobile bar provides the option of additional, or alternative, bar services in the Ballroom. Flexible pricing plans are available

to suit any budget and, to help make your day extra special, local businesses can be recommended to compliment our services, e.g. florists, caterers, room dressing specialists and photographers.
