

18/2344C Land North of Hind Heath Road, Sandbach

Outline planning permission for up to 50 new dwellings, new planting and landscaping, car parking, vehicular access point from Hind Heath Road and associated ancillary works. All matters to be reserved with the exception of the main vehicular site access.

Resolved: Members are extremely disappointed that once again, the developer has not taken into account any comments made and **OBJECT** to this application due to the following:

- This development is within an area of separation shown in figure 3 of the Sandbach Neighbourhood Development Plan. Development in this area would close the area of separation which contravenes **Policy PC1** of the Sandbach Neighbourhood Development Plan.
- The site is outside the settlement zone line, as defined in **Policy PC3** of the Sandbach Neighbourhood Development Plan. This also contravenes **Policy PG6** of the Cheshire East Local Plan and retained policy PS8 from the Congleton Borough Local Plan which define and limit development in the Open Countryside.
- This development would have a negative effect on the movement of wildlife from Wheelock rail trail (reference area J, figure 5 Sandbach Neighbourhood Development Plan) which contravenes **Policy PC4** of the Sandbach Neighbourhood Development Plan
- Sandbach has already identified sites to meet its allocation as part of the Cheshire East Council Local Plan Strategy and 5 year Housing Supply.
- Members request that the Sandbach Extending Footpath Accessibility Document is considered with this application, particularly in relation to point 5. Members support comments made by the Sandbach Footpath Group which states that a footpath link from the Wheelock Rail Trail via the Abbeyfields area to Middlewich Road should be made.

Furthermore, Members are very disappointed that the developer hasn't incorporated any of the Town Council's comments, especially relating to the increase in traffic (and the safe management of it) and the effect on air quality after requesting a meeting with Members. Hind Heath Road appears to remain unlit which will be dangerous on an increasingly busy road, a problem which is compounded by the fact that the proposed access is on the inside of a bend which combined with the topography limits visibility. The proposed development is at a point on Hind Heath Road with no footpath on either side of the narrow road, with no safe access or crossing point to the recently constructed footpath/cycleway behind the hedge on the opposite side of the road.

Any proposal to light this section of Hind Heath Road, the Wheelock Railtrail or the new footpath/cycleway would emphasise the intrusion into the area of separation and disturb local wildlife.

Finally, Members are concerned that The Brine board is of the opinion that the site is within an area that has previously been affected by brine subsidence and future residual movements cannot be completely discounted.

18/2459C Houndings Lane Farm, Houndings Lane, Sandbach, CW11 4HJ

Outline application for new agricultural farm building.

Resolved: Members **OBJECT** to this application as no diversion has been put into place for Footpath 19. Footpath 19 must be done before this application is approved as it is currently blocked with no reassurance of it being reinstated. Members will reconsider this application if Footpath 19 is reinstated by the applicant.

18/2504C 14 Vicarage Lane, Sandbach, CW11 3BW

Resolved: No objection.

Submitted WE 01.06.18 response to Cheshire East by 15.06.18

18/2346C Land to the East of Abbey Road, Sandbach

Reserved matters application following outline approval 14/1189C – Construction of up to 165 residential dwellings (Use class C3), vehicular access, public open space, new footpaths, landscape and ancillary works including a sustainable drainage system.

Resolved: Members **OBJECT** to this application due to the contravention of **Policy H2** of the Sandbach Neighbourhood Plan and **Policy SE 1** of the Cheshire East Local Plan Strategy. Three story houses shouldn't be adjacent to green space. The tallest houses should be in the middle of the development and not round the outside, as shown in the "Street Scenes Colour Plan".

Members also request that the Extending Footpath Accessibility document is taken into full account in terms of Point 5 - Abbey Fields to Wheelock Rail Trail. This will ensure that future accessibility to this site can be conveniently linked.

18/2599C Saxon Cross Service Station, Congleton Road, Sandbach, CW11 4SP

O:\NEW FILING SYSTEM\Meetings\Planning\2018_19\180604\PCM180604.doc

Resolved: No objection providing the footpath from Hooter Hall farm remains clearly visible.

18/2579C 2 Bradwall Road, Sandbach, CW11 1WB

The removal of the branded fascia, face-fixed signage and a projecting sign above ground floor and the repair of the brickwork, stone and render to the rear. Any new brickwork to be bonded in with a matching brick. The removal of the automatic teller machine, a receptacle for ATM receipts and a small braded sign from the Bold Street elevation and the making good of the brickwork to the rear, with any new brickwork bonded in with a matching brick. The removal of a night safe from the Bradwall Road elevation and the repair of the render to the rear. The removal of a branded sign the left of the entrance and the repair of the render to the rear.

Resolved: No objection providing that all the “Making Good” works use brickwork that matches the **ORIGINAL** brickwork of the building, specifically the brickwork that will be installed where the cash dispenser is. Members are disappointed to lose another local Bank.

18/2650C West View, Bradwall Road, Sandbach, CW11 1RA

Demolition of existing kitchen and construction of single storey rear/side extension including a remodelling of existing conservatory to form garden room.

Resolved: No objection.
