4. CORRESPONDENCE

4.1 CEC Canal Fields Development Street Names Cheshire East Council

It was felt that the suggested names, relating to local birds, did not appear relevant to the area as they were not thought to be local bird species.

Members were greatly concerned by the current CEC policy which restricts duplicating a street name anywhere within the Borough. Effectiveness of this policy was questioned following a recent decision to permit naming a development 'Station View' in an area adjacent to an existing road of the same name.

Resolved: The Committee Chairman to formulate a response to the consultation document and bring the CEC policy to attention of Council.

The meeting closed 8.25pm
A J Wood, Chairman
