

- There are concerns over the setting of Barncroft (a smallholding in the middle of the development, and Marsh Green Farm, which are both buildings of significant architectural merit.

The group asked that Sandbach Town Council Planning Committee support them with an objection to this proposal.

As there were no more members of the public wishing to speak, the Chairman reconvened the meeting.

3. TO APPROVE THE MINUTES OF THE PLANNING COMMITTEE MEETING HELD ON 17 JULY 2017.

Resolved: That the minutes be approved as a true record of the meeting.

4. OBSERVATIONS ON PLANNING APPLICATIONS

Submitted WE 21.07.17 response to Cheshire East by 08.08.17

17/3611C Land Off, Marsh Green Road, Sandbach

Outline application for Residential development on land off Marsh Green Road, Elworth, Sandbach.

Resolved: Members **OBJECT** to this application on the following grounds:

The proposed development is in the open countryside on the northwest boundary of Elworth. Development on this greenfield land is contrary to policies PC1 (Areas of Separation), PC3 (Policy Boundary for Sandbach), PC2 (Landscape Character) and H1 (Housing Growth) of the Sandbach Neighbourhood Development Plan. Furthermore, it is contrary to policies SE4 and PG6 of the recently adopted Cheshire East Local Plan Strategy, and PS8 of the Local Plan Saved Policies for the reason listed above. The Sandbach Neighbourhood Plan Policy H5 Preferred Locations, directs development to be within the settlement boundary, the proposed development is contrary to this policy.

The application site is accessed via Marsh Green Road and Vicarage Lane, both of which are narrow and congested with parked vehicles, and very limited pedestrian pavements. Proposals will intensify flood risk in an area prone to flooding, increase safety risk, and exacerbate existing traffic and parking issues and, as such, are contrary to Sandbach Neighbourhood Plan Policy IFT1. Additionally, pollution levels in the area are exceeding EU guidelines and any development would further increase this burden on residents.

For reasons detailed above, Proposals also contravene Local Plan Saved policies GR6 (III, IV and V), GR7 (I, II and III), GR9 (I and II) and GR18.

Cheshire East can now demonstrate a 5 year supply of housing, Sandbach has provided more than its fair share of that supply, meaning that this application is contrary to policy PG7 of the recently adopted Cheshire East Local Plan Strategy.

17/3565C 3 Well Bank Sandbach, CW11 1FQ

Demolish existing garage and conservatory, removal of existing front and rear dormers, construction of single storey extension and new front and rear elevation dormers and internal structural alterations and improvements.

Resolved: No objection subject to the conservation and listed building teams comments on the application.

17/3609C 522 Crewe Road, Sandbach, CW11 3RY

3 dormers to front elevations extend to side and rear. Create room space in existing loft and extensions to side and rear.

Resolved: Members **OBJECT** to this application due to a lack of information available about the application in the plans. Members feel that the information portrayed in the plans would exacerbate levels of traffic if approved.

17/3546C 48 Hassall Road, Sandbach, CW11 4HN

Proposed single storey rear extension, external render coat to part of existing dwellings and internal alterations.

Resolved: No objection.

17/2695C 8 Cedar Close, Sandbach, CW11 4JS

Single storey rear extension.

Resolved: No objection.

Submitted WE 28.07.17 response to Cheshire East by 14.08.17

17/3474C 128 Crewe Road, Sandbach, CW11 4PX

First floor side extension and amendments to previous approval 14/1389C.

Resolved: No objection.

17/3752C 98 Park Lane, Sandbach, CW11 1EP

Two storey side extension and roof alignment.

Resolved: No objection.

17/3764C Leonard Cheshire Home, The Hill, Sandbach, CW11 1LA

Listed building consent for additional 5 no. apartments to current residential development as per approval (Application No: 14/3215C).

Resolved: No objection.

17/3845C Wilkinson House, London Road, Sandbach, CW11 3BF

Variation of condition on existing permission 16/6142C; Development of 3 dwelling houses, change of use of Wilkinson House from Class C2 care home to Class C3 dwelling house, improvement of existing access from London Road, construction of development roads and services and associated demolition works.

Resolved: No objection.

Submitted WE04.08.17 response to Cheshire East by 23.08.17

17/3867C 21 Mill Hill Lane, Sandbach, CW11 4PN

Alterations to roof to form additional accommodation and dormer windows.

Resolved: No objection.

17/3693C Reserved Matters Application for appearance and landscaping following outline approval 16/5947C – Outline application for the erection of 8 detached houses with access, layout and scale.

Resolved: No objection.

17/3915C Land South of Middlewich Road and East of Abbey Road, Sandbach
Approval of reserved matters (appearance, landscaping, layout and scale) following outline approval of 12/1463 – Erection of 126 two storey detached, semi-detached and mews dwellings, landscaping, open space, parking and associated works.

Resolved: Members **OBJECT** to this application as in view of the recent issues surrounding Air Quality by Cheshire East Council, the original decision to grant planning on Air Quality Data is flawed. Middlewich Road is due to be designated as an Air Quality Zone, but should have been earlier. Therefore, this should be a factor involved in the decision making process of this application. This application should be reconsidered following the recent adoption of the Cheshire East Council Local Plan.

17/3916C Land South of Middlewich Road and East of Abbey Road, Sandbach
Erection of 25 two storey detached dwellings, landscaping, open space, parking and associated works.

Resolved: Members **OBJECT** to this application in view of the recent issues surrounding Air Quality by Cheshire East Council in the area. Furthermore, the recently adopted Cheshire East Council Local Plan demonstrates that Sandbach has already reached it's 5 year supply of housing. This development would take Sandbach above its supply quota.

This application is also contrary to Sandbach Neighbourhood Plan Policy IFT1, as the application will exacerbate problems with traffic which are already present on Middlewich Road.

17/3966C 134 Congleton Road, Sandbach, Cheshire, CW11 1DN

First floor extension. Replacement of the south boundary timber fence and hedgerow with a brick wall and low level planting.

Resolved: No objection.

17/3928C Oak Farm, Church Lane, Sandbach, CW11 4ST

Demolition of existing buildings and the erection of 5 new houses with improved primary access, soft & hard landscaping, associated infrastructure and ancillary facilities.

Resolved: Members **OBJECT** to this application as the recently adopted Cheshire East Council Local Plan demonstrates that Sandbach has already reached it's 5 year supply of housing. This development would take Sandbach above its supply quota.

Furthermore, this application is contrary to Sandbach Neighbourhood Plan Policy IFT1, as there is poor access onto the site on a dangerous bend, and Church Lane cannot take additional traffic with many people using the road as a rat run to avoid congestion on Middlewich Road.
