### 1. APOLOGIES FOR ABSENCE

Cllrs S Crane and G Price Jones

No apologies received: Cllr P Eaton

### 2. DECLARATIONS OF INTEREST

There were none.

The Meeting Chair adjourned the meeting to allow members of the public to speak.

### **Chair of Sandbach Footpath Group**

The lead member of the Sandbach Footpath group made a short presentation on the issues regarding the unfinished 500m long footpath to have been built out of the budget for the 5 new houses on Oak Farm estate. Condition 5 of the decision notice for the application stated that “the footpath shall be implemented prior to the first occupation of any of the hereby approached dwellings”. Clearly this hasn’t happened. It appears that the developed was liquidated after building and selling all the 5 houses but did not complete the footpath.

It was noted that the footpath is extremely important as it would provide access to St. John’s Church, to stile-free, green and open spaces, giving benefits in terms of lifestyle, health and exercise, for local people. Without the Pavement, people would be walking in the road along Church Lane, which can be a rat-run sometimes. This has obvious Road safety implications and possible tragic consequences.

Sandbach Town Council were asked to make representations to CEC to get this matter resolved.

**Cllr David Poole**

Cllr Poole read a statement on behalf of a member of the public who could not attend the meeting regarding installing a crossing for pedestrians to cross The Hill safely. Extra houses built in the immediate area are now all contributing to much more traffic and it was questioned why CEC cannot allocate S106 funds to improvements for the road.

As there were no more questions, the Meeting Chair reopened the meeting.
