

Sandbach Town Council - Volunteer Policy

Introduction

Sandbach Town Council is a local Council.

Accordingly, Sandbach Town Council involve volunteers to:

- Increase our contact with the local community we serve
- Help ensure our services reflect the needs of our community
- Increase skills, experience, perspectives and diversity in the workplace

We will ensure that volunteers feel part of the Council structure by enabling them to contribute to our ongoing development. We will have systems in place to involve volunteers in staff information sessions, and regular supervision.

The Council does not aim to introduce volunteers to replace paid staff. It expects that staff at all levels will work positively with any volunteers and where appropriate, will actively seek to involve them in their work.

The Council acknowledges that volunteers require satisfying work and personal development and will seek to help volunteers meet these needs, as well as providing training for them to do their role effectively.

Guidelines

The following guidelines deal with practical aspects of volunteering with the Council.

Recruitment

All prospective volunteers will be interviewed to find out what they would like to do, their skills, suitability and how best their potential might be realised.

Volunteer Agreement and Task Descriptions

Each volunteer will have an agreement establishing what the Council undertakes to provide for them. Also volunteers will be asked to agree to a written outline of the specific work they will be undertaking. Neither of these documents is intended to form a contract. The Council has no intention of creating a contract with any volunteers.

Expenses

Travel expenses carried out on behalf of the Council would be met in accordance with HMRC rates.

Induction and training

All volunteers will receive an induction into Sandbach Town Council and their own area of work. Training will be provided as appropriate. Where possible, volunteers will be entitled to receive additional training on the same basis as paid staff.

Support

All volunteers will have a named person as their main point of contact. They will be provided with regular supervision as required to feed back on progress, discuss future development and air any problems.

Volunteers are covered by the Council's Health and Safety Policy, a copy of which is available in your place of work.. Volunteers will be made aware of the Council's Child and Vulnerable Adults Policy and Procedures and where necessary CRB checks, registration and training will be undertaken.

Equal Opportunities

The Council operates an Equality Policy in respect of both paid staff and volunteers. A copy can be made available on request. Volunteers will be expected to have an understanding of and commitment to the equal opportunities policy.
